WOODHOUSE WINES

John Woodhouse is more commonly linked with Apple City Tours. But for the past seven years, bus driving has been complemented with the adventures of becoming a vigneron. Woodhouse Wines are grown at an altitude of 860 metres on the picturesque northern slopes of Mt Canobolas. It specialises in cool climate dryland **Cabernet Sauvignon** blended with local **Merlot**, which are hand picked and pruned. So come and enjoy the friendly atmosphere and beautiful surrounds of the vineyard, Mt Canobolas and the valleys, while enjoying Woodhouse Wines.
